

Patterson Family Style Daycare

Types of Child Care Provided at Patterson Family Style Day Care

Drop-in Care:

No guaranteed space. There is no guarantee that space will be available within license capacity when you make a request for care. Drop-in Care is provided on a first-come-first-served basis and **fees are due at the time of service**. Drop-in Charges are based on the actual amount of time that care is provided by the facility staff. Snacks are provided by the daycare staff.

Regular Part-time Care:

Guaranteed Space. Part-time Child Care is only guaranteed for your child(ren) during the hours and days for which you have contracted based on space availability within license capacity. If there is space at the Child Care facility available during the specified days and hours you need, and a current Parent-Provider Agreement is completed and on file at the Day Care Facility, there is a guarantee that daycare space will be available for your child(ren). The fees due for Regular Part-time Care are based on the block of time specified on your Parent-Provider Agreement and not on the actual time your child(dren) are cared for by the Facility Staff and are due in advance. Drop-off and Pick-up time must remain within your contracted hours, unless you have cleared any changes ahead of time with the Day Care Staff. Child Care provided beyond your contracted hours will be billed at the current Part-Time hourly rate. This type of care includes meals, snacks, and transportation

Full-time Care:

Guaranteed Space. Full-time Care is provided for children 2 months through Kindergarten and also for children up to age 12 during the Summer months. It is provided during the main hours the daycare facility is open-- Monday through Friday, 7am to 6pm. If your child is contracted for a Full-time Day Care space and a current Parent-Provider Agreement is completed and on file, drop-off and pick-up may be at any time during those days and times. If you are contracted for this type of care, fees are due whether your child(ren) are present at the Facility during all of the contracted hours or not. Any care beyond the regular daycare hours will be billed at Earlybird or Latebird fees. This type of care includes meals, snacks, and transportation

Before & After School Care/After School Only:

Guaranteed Space. This type of care is for 1st graders through 6th graders from 7am to transport to school and from pick-up from school to as late as 6pm. Before and After School Care is billed at a fixed rate and includes meals, snacks, and transportation to and from school plus local extra-curricular activities.
